DANIJELA ILIĆ, FRICS REV - NAVS PRESIDENT

Danijela is qualified property valuer holding Recognized European Valuer professional mark with over 35 years of experience in property industry, out of which 18 years of experience in property valuation in Serbia.

In 2008 she has set up valuation company Operational Center of Asset Valuers which has dealt with major real estate development projects in Serbia including important government projects such as converting surplus military properties into civil uses, viability studies for new uses of brownfield locations and others.

As of 2016, she is freelance consultant and counsellor on numerous issues regarding real estate in Serbia.

She is founder and President of National Association of Valuers of Serbia. Under her leadership, NAVS became a member of TEGoVA in 2011 and a REV awarding member of TEGoVA in 2012. She has participated in translation of EVS and IVS into Serbian language as of 2007.

Danijela is currently a member of the Board of The European Group of Valuers' Associations (TEGoVA) and a member of TEGoVA's European Valuation Practice and Methodology Board.

KRZYSZTOF GRZESIK, FRICS REV

Krzysztof Grzesik is a UK born chartered surveyor, Polish qualified valuer and a Recognised European Valuer with 40 years experience as a property consultant in the UK and mainland Europe. In the UK he first worked as a valuation surveyor at the UK Government's Valuation Office and then as a partner of Kinney & Green, chartered surveyors in the City of London.

In 1991 he set up the real estate services arm of Price Waterhouse in Poland and was also involved in agency and property consultancy work in the Czech Republic, Hungary and Russia. In 1997 he joined Healey & Baker (Cushman & Wakefield) as a partner, responsible for investment agency and in 2000 he became managing partner of King Sturge Poland. In 2004, Krzysztof set up Polish Properties Sp. z o.o.

Krzysztof is currently the Chairman of The European Group of Valuers' Associations (TEGoVA) and Vice President of The Polish Federation of Valuers Associations (PFVA). He is also a past Chairman RICS Europe. He is a co-author of the „Professional Standards for Polish Valuers” published by PFVA and the author of many publications concerning property valuation. He is a contributor to the Appraisal Institute's reference book titled “Real Estate Valuation in Global Markets”.

In recent years Krzysztof has advised the Serbian Ministry of Finance as part of the USAID Business Enabling Project, Serbia. In particular he was involved in the drafting of the new Real Property Valuers Law and Serbian Valuation Standards.

RICHARD GROVER – Professor at Oxford Brookes

Richard Grover is a chartered surveyor and an economist. He is currently a part-time lecturer in Real Estate at Oxford Brookes University, UK, where he teaches real estate economics and finance. Before retiring, he held various positions at Oxford Brookes University, including Assistant Dean of the Faculty of Built Environment and Head of the School of Real Estate Management. He has been responsible for designing and securing professional accreditation of degree programmes in the UK and has worked on real estate education programmes in Russia and Bulgaria. He has worked on a number of projects in Eastern Europe since the early 1990s, particularly for FAO and the World Bank. He is currently part of the World Bank mission teams for real estate management projects in Serbia, Moldova, and Turkey. He has been the lead consultant on a World Bank/FAO knowledge project on Property Valuation and Taxation for Fiscal Sustainability in the Europe and Central Asia Region, which looked at property taxation in nine European countries, including Serbia.

ZORAN STANIĆ, REV - President of the Professional Property Valuation Board at the Ministry of Finance, Serbia
